

Partnership Proposal

Since its inception in 2004 the Innovation Leadership Forum (ILF) has been partnering with organisers of innovation related events to help spread the spirit of innovation. Our network counts over 2,500 individuals from all walks of life: large corporations, entrepreneurs, academics and consultants. While network members are currently mainly based in Europe the global spread is increasing, and we love to share information on innovation-relevant events from all over the world.

ILF Offering

- Listing on the ILF website's Events page, including banner and links, e.g. event website, brochure. We ask you to provide us with a base text to build on.
- Inclusion in up to 2 of the ILF's 'regular irregular mailouts'.

ILF Receiving

- ILF is listed as a media partner on the website & printed media with logo, short bio, website link.
- A discount codes for members of the ILF Wider Community (ca 2,500 individuals).
